About Project

- We have designed a system to curb the depression by providing therapy and healthy conversation to needy people.
- For this we are providing services to the sufferer dealing with the depression ,anxiety related to their lifes.

About Project

- All over the world people dealing with their problems all alone and not having any one to share with .So, basically Becure(our website) is providing platform to share your problems.
- Most difficult thing is we don't have anyone to share, BeCure is providing the solution to that problem

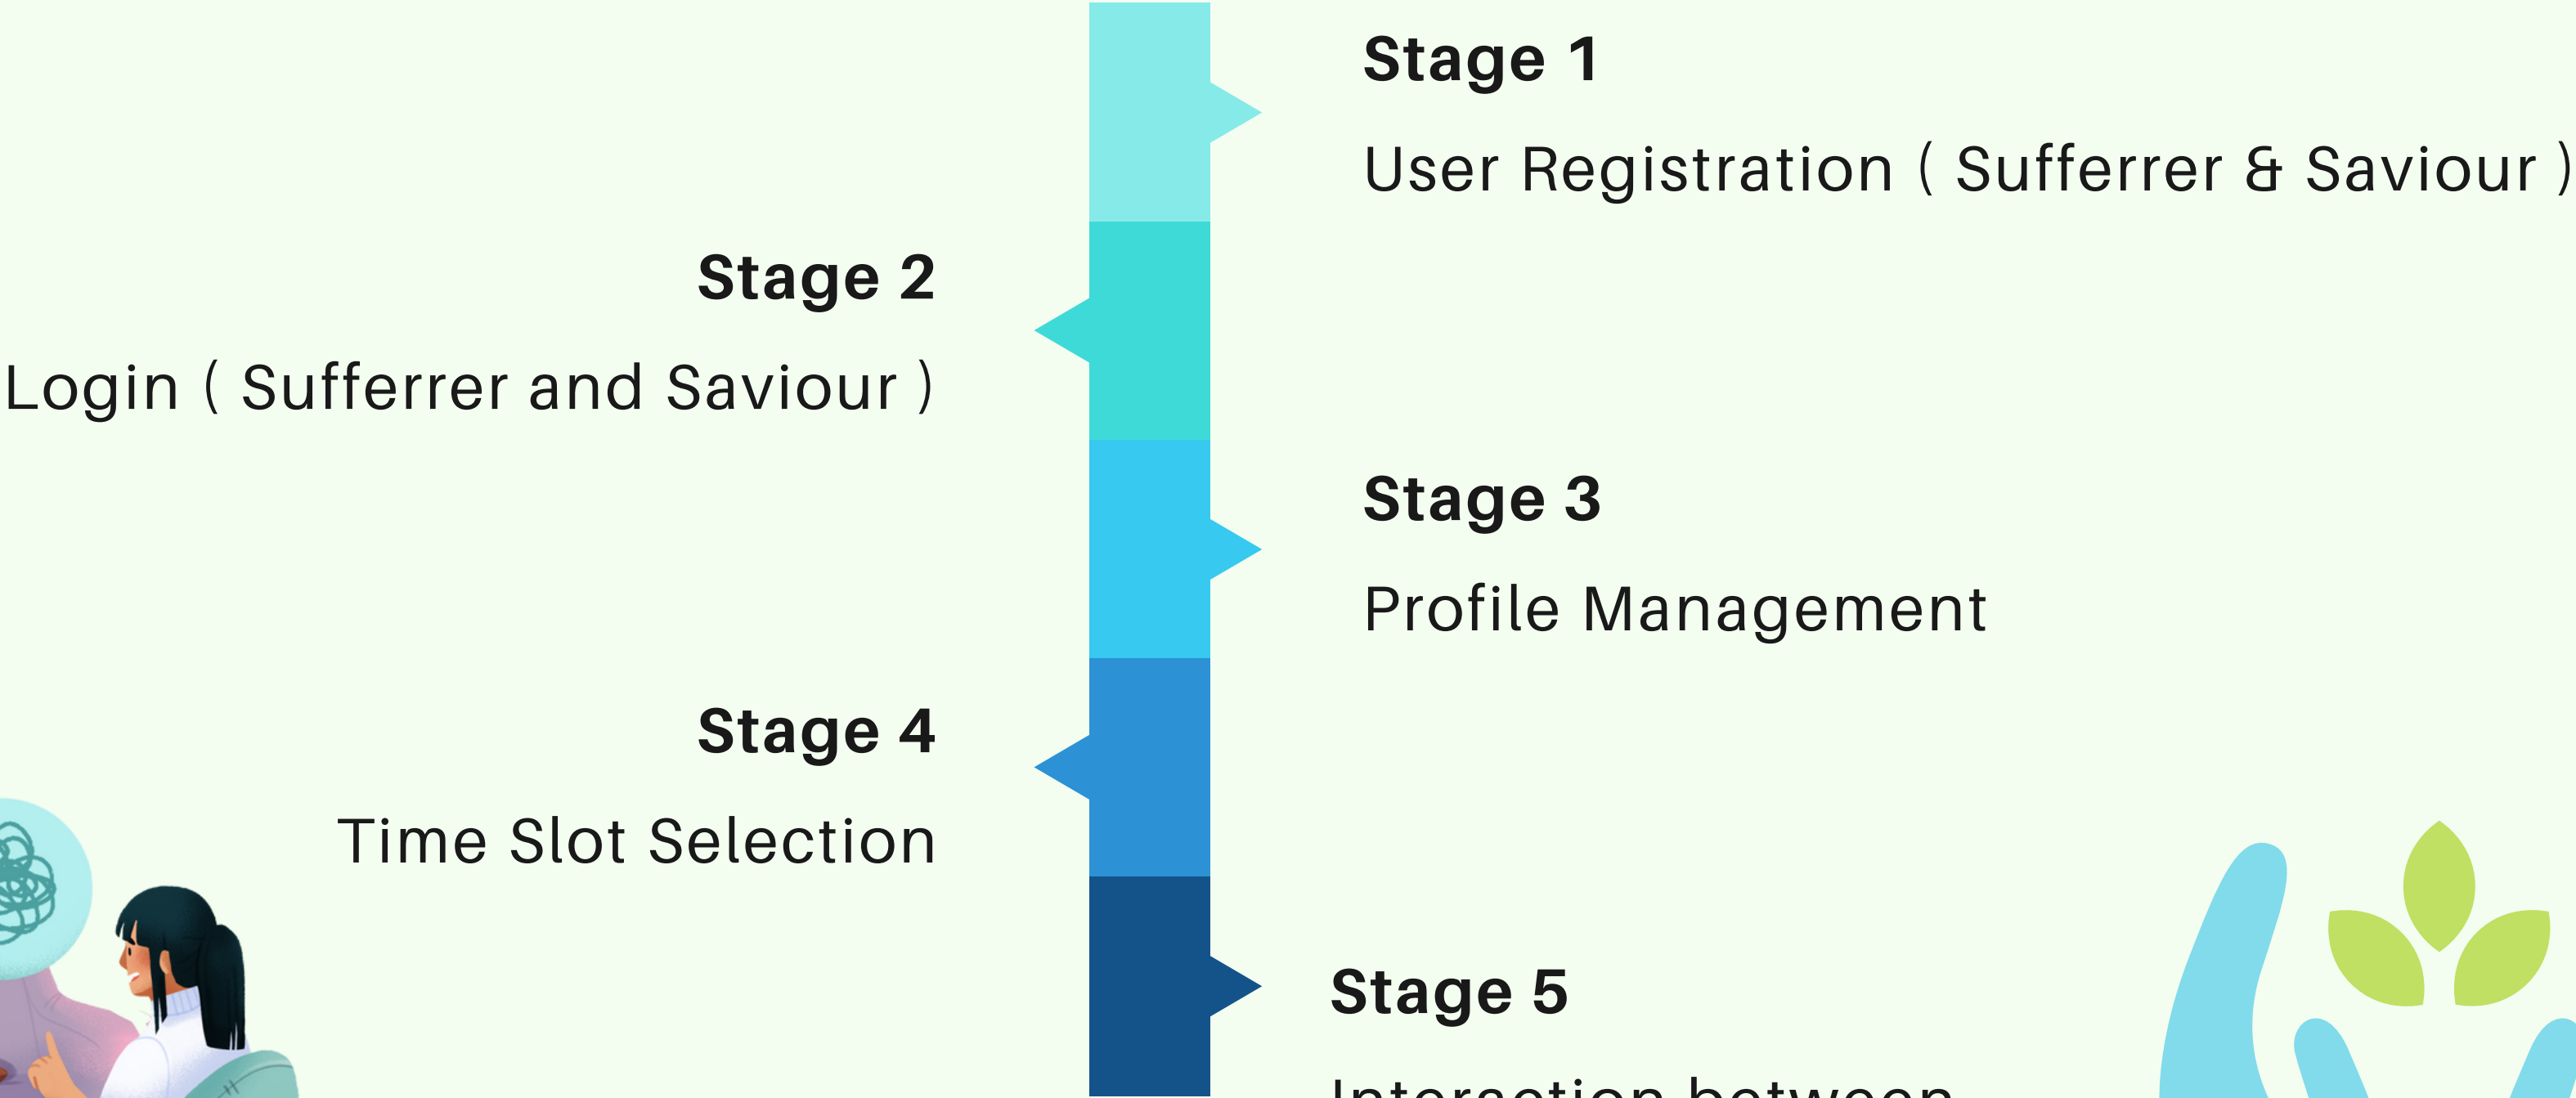

What is BeCure ?

BeCure is an online portal that provides direct-to-consumer access to mental health services. The online counseling and therapy services are provided through web-based interaction as well as phone and text communication.
